

## 27<sup>th</sup> Annual Dinner Auction

Lynnwood/Mountlake Campus

2019 Annual Auction

March 09, 2019

Dear Friends, Local Businesses, and Community Supporters,

Cedar Park Christian Schools (CPCS) has a long standing tradition of providing a high quality Christian education in our community. We serve over 1550 families district wide at CPCS; families who live and work in your community, and desire to support local businesses, like yours! We would like to share with you the opportunity to increase your company's exposure and align yourself as a community partner in Christian education by getting involved with this year's annual auction.

On Saturday, March 09, 2019, Cedar Park Christian School will host its annual school auction at the CPCS Campus in Mountlake Terrace, WA. The Cedar Park auction has been a community wide tradition for over a decade and is the school's largest fundraiser and social event of the year. Last year through generous donations, community support, and dedicated volunteers we successfully raised \$40,000! Proceeds from the auction provide significant enhancements to the school's academic programs like STEM, athletics and the arts. Additionally, these proceeds serve as an important revenue stream in the operating budget, ensuring students pre-school through twelfth grade can continue to receive high quality Christian education at an affordable cost.
